When we march, the
ground will shake—
We fight for TRUTH,
make no mistake!

He is holding a white sign with purple text that reads "ROMAN SOLDIER" and is giving a thumbs up with both hands. To his right, another young man is wearing an orange baseball cap and a white t-shirt with purple splatters. In the foreground, the back of a person's head with long brown hair is visible. On a shelf in the background, there are various items including a blue spray bottle, a white jug with a red label, and some green folders.
